Dear Audiophile:

The Boston Audio Society is a 100% member-supported organization devoted to the exploration and enjoyment of all aspects of audio. For 27 years it has offered informative and thoughtful non-commercial commentary on the audio scene. Some of our contributors have gone on to professional prominence in the audio industry.

Members receive the bi-monthly *BAS Speaker* (a print magazine) with monthly-meeting summaries, letters, articles by members, reviews, reprints, audio news, member ads etc.; and optionally a monthly emailing. We are also working to make the *Speaker* available in electronic form (Adobe Acrobat).

An information package include sample articles from recent issues (92 kB) is available by email from dbsystems@ibm.net. Or you can receive a sample print issue by writing to BAS, P.O. Box 211, Boston, MA 02126.

We invite you to join us. Basic membership is \$35 although any contributions to help this mostly volunteer organization are greatly appreciated.

Sincerely,

David B. Hadaway
President, Boston Audio Society
